

Proposed 2013 Fare Increase

Why the fare increase?

The rising cost of operations, maintenance, and gas combined with reduced funding from the federal and state governments has caused the Local Transportation Authority to consider an increase in its bus fares.

What services are affected?

Services that will be affected are:

- Fixed Route (Blue, Green, and Red Lines)
- Paratransit
- Intercounty Gavilan
- Intercounty Greyhound
- Intercounty Caltrain
- Dial-A-Ride
- Medical Shopping Assistance Program

Scenarios under consideration and details of proposed fare increase can be found on the back of this flyer. The anticipated effective date is July 1, 2013.
